### **Stilwell Baker Awarded Five Year Navy Contract**

*Stilwell Baker provides engineering services*

**Portland, Ore.** – October 13, 2009 - Stilwell Baker Inc., a leading provider of Contract Engineering and Engineering Services to electronics design companies, has announced that it was recently awarded a contract by the Naval Air Warfare Center Weapons Division, China Lake, Calif. Stilwell Baker will design high-density, high-speed printed circuit boards for this research center.

“We’re pleased to have been awarded the Navy contract,” commented Darrel Baker, president of Stilwell Baker. “To be chosen by the Navy is a testament to our quality engineering and engineering services. We look forward to supporting this advanced and technically demanding customer.”
